

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

the director of the bureau of infectious diseases, upon the report of a medical inspector of the department, may cause the removal of such sick person to one of the hospitals under the charge of this department or to a hospital designated by the board of health.

**Tuberculosis—Pulmonary—Enforcement of Rules and Regulations for Prevention of. (Reg. Bd. of H., Aug. 25, 1914.)**

*Resolved*, That section 138 of the Sanitary Code be, and the same is hereby, amended so as to read as follows:

SEC. 138. It shall be the duty of every person sick with pulmonary tuberculosis, and of every person in attendance upon anyone sick with the said disease, and of the authorities of public and private institutions or dispensaries wherein any occupant is afflicted with the said disease, to observe and enforce all the sanitary rules and regulations of the department of health for preventing the spread of pulmonary tuberculosis.

**Communicable Diseases—School Attendance. (Reg. Bd. of H., Aug. 25, 1914.)**

*Resolved*, That section 145 of the Sanitary Code be, and the same is hereby, amended so as to read as follows:

SEC. 145. No principal or superintendent of any school, and no parent, master, or custodian of any child or minor (having the power and authority to prevent) shall permit any child or minor having acute poliomyelitis (infantile paralysis), chicken-pox, diphtheria (croup), epidemic cerebrospinal meningitis, measles, mumps, rubella (rotheln), scarlet fever, smallpox, or whooping cough, or any child or minor in any family, or living with any family, in which any such disease exists, or has recently existed, to attend any public or private school until the department of health shall have given its permission therefor, nor shall any such principal, superintendent, parent, master, or custodian permit any child or minor to be unnecessarily exposed, or to needlessly expose any other person to the taking or to the infection of any contagious disease.

**Common Eating and Drinking Utensils—Use Prohibited in Public Places. (Reg. Bd. of H., Feb. 17, 1914.)**

*Resolved*, That section 189 of the Sanitary Code be, and the same is hereby, amended to take effect March 1, 1914, so as to read as follows:

SEC. 189. The use of common eating or drinking utensils, in any public place, park, street, or avenue, public institution, or in any hotel, theater, factory, school, public hall, or in any railroad car or ferry boat, or in any railway station or ferry house, or the furnishing of any such common eating or drinking utensils for use in any such place, is hereby prohibited.

The term "public place" as used herein shall be construed to include:

(a) Any place where goods, wares, or merchandise are sold or offered for sale.

(b) Any department, bureau, building, or office of a municipal corporation.

The term "factory" as used herein shall be construed to include any workshop or manufacturing or business establishment where persons are employed at labor.
